

FOUR EDUCATIONAL THANKSGIVING CHANTS

FALL COLORS

Red and yellow,
Orange and brown.
So many leaves
Are on the ground.
Pick one out and show it to me.
What is the color that you see?

[Use leaf cut-outs of varying colors for students to choose]

TURKEY COUNT

Turkeys here and turkeys there.
I see turkeys everywhere!
There are so many turkeys
Gobbling at me.
Let's count out [NUMBER]
And set them free.

[Provide an assortment of turkey pictures or manipulatives. During "Let's count out..." say the number of turkeys you'd like for them to hand you each time.]

THANK YOU

Thanksgiving is a time to share.
I'll find a friend and show I care.
I have something to give to you.
Here you go.... THANK YOU!

[During snack time, have each student give one snack item to a friend such as a pretzel, grape while saying "Here you go." Have the other student respond "Thank you."]

TURKEY TIME

Gobble, gobble, gobble,
Squawk, squawk, squawk.
The turkey moves around the clock.
He'll pass the 12, 3, 6, and 9
And then he'll STOP!
What's the time?

[Attach a small turkey picture to one of the hands of a teaching clock. The student moves the hand around until hearing "STOP"]
